Work we've done:

VisitScotland

Objective: To find out the greatest moment for Scottish tourism in the last 50 years.

Result: Glasgow Commonwealth Games 2014 voted top moment. Story was published by VisitScotland and picked up by loads of news outlets.

The Whisky Shop

Objective: Redesign website.

Two surveys: one to The Whisky Shop database and one to the ScotPulse panel to look at the wants of both whisky connoisseurs and novices.

Result: The Whisky Shop unveiled a new online outlet, which promises a "luxurious, educational and accessible" internet shopping experience.
